

Dear Anne

Dear Anne, Not much of course  
has happened since last night. Professor  
Adam called & had quite a talk with Henry  
Mary & Henry chinked this morning, was  
much as Mary wants to lend Adam  
£800. Henry of course opposing - He was  
quite roused up - Mary of course reso-  
-lute - I called at the office. There has  
been much mobbing at Nantucket. The  
Athenaeum windows all smashed in  
The town held a meeting and offered the  
use of the town house, offering to protect  
the meeting. so one was held & the  
town house windows all smashed. I  
don't wonder, Collins, Foster & Rogers there  
Bro May is going to take the normal  
school at Lexington, that is if his  
nomination is confirmed. Horace  
Mann nominated him. Mrs Johnson  
Mrs Southwick & Henrietta are going  
to Andover. Wendell has just been in -  
in town for the day - Ann he says is  
very poorly - He brought some  
fine grapes for Henry from Anna. I  
shall expect Caroline in this afternoon  
that is if she goes to Andover  
Henry is about the same. His  
cough hurts him more. Harvey  
says you told him to do nothing

about the white wash. Gendee  
says old Ezra Weston is dead, 70  
years old
